World Immunization Day

It need's one pandemic to highlight the importance of immunization.. we can't forget the forgone, sorrowful days of our struggle against COVID 19.

The World has witnessed the importance of Immunization during COVID 19 epidemic spread. We haven't played the third-person role; instead, we were in search of the vaccination and were keen to know the steps to be prevented. The pandemic has left the world with its scare and the lesson of having proper immunization for the healthiest society.

World Immunization Day is observed on 10th November every year to emphasise the importance of vaccination, raise awareness of the benefits of vaccination, and make people know how it can help them stay healthy in the long run by preventing them from a wide range of diseases. A Vaccination prevents them from risky diseases, but if vaccinated at the right time, it helps them avoid more complications, and if failed to get inoculated will only result in high medical bills.

Cheran College of Nursing has imprinted this in the minds of the people of Telugupalayam, its nearby society, by organizing **AN IMMUNIZATION AWARENESS RALLY CAMPAIGN – Serving the Community with the gift of immunity** on **10th November 2022**, at Telugupalayam PHC. The chief invitee of the Campaign was **Dr. Pradeep.V.Krishnakumar, (City Health Officer) Coimbatore City Corporation.**

The prime aim of this Rally campaign is to make the public aware of the importance of immunization and the diseases that could be spread by ignorance of immunization among the people.

The event began with the *thamizh thaai vazhthu*, followed by the lighting of the lamp by the chief guest **Dr. Pradeep V. Krishnakumar, (City Health Officer) Coimbatore City Corporation**. Prof. Dr. N. Meenakumari, Principal, Cheran College of Nursing, welcomed the chief guest. The First year B.Sc. Nursing students played *Villuppaatu* (Bow Song), explaining the different kinds of Vaccines for each age group and highlighting the theme of World immunization day.

Dr. Pradeep V. Krishnakumar, (City Health Officer) Coimbatore City Corporation in his chief guest address, explained the history of Vaccination and recent advancements in vaccinations. He congratulated the First year B.Sc. Nursing students' effort in creating awareness through *Villuppaatu*. Prof. Dr. N. Meenakumari, Principal, Cheran College of Nursing, honoured the chief guest with a memento.

Dr. Pradeep.V.Krishnakumar, (City Health Officer) Coimbatore City Corporation waved the flag to start the rally at 09.30 a.m from Telungupalayam PHC. Throughout the Rally, the students distributed pamphlets to the public. Successfully, the Rally ended at the Perur bus stand at noon.
